

SEEKING TO HAVE \$2,000,000 TAXED IN DEERE ESTATE

William McEniry Files Petition to Re-
quire N. H. Green to Appraise
Big Request.

MATTER UP IN COUNTY COURT

Claim Made That Sum Which Husband
Willed Wife Is Subject to In-
heritance Law.

William McEniry, on behalf of the
people of the state of Illinois and At-
torney General P. J. Lucey, filed this
morning in county court, petition to
require Nelson H. Greene, appraiser of
the estate of the late Mrs. Mary L.
Deere, Moline, to fix the value of one-
third of her estate, estimated to be
worth \$2,000,000, preliminary to impos-
ing an inheritance tax.

When Charles H. Deere made his
will he provided that one-third of his
estate should go to his wife, Mrs.
Mary L. Deere for use during her life.
She was given power to be-
queath the third to any party she
saw fit. If she did not exercise that
right, then the will provided that the
sum should go to the Wiman children,
who are grandsons.

Daughter Gets Third.
Mrs. Deere did nominate that the
third should go to her daughter, Mrs.
William Butterworth. It is now the
contention of Mr. McEniry that since
the third of the estate of Mr. Deere
was not bequeathed by Mrs. Deere to
parties named in the former's will,
that it is subject to inheritance tax-
ation.

Judge N. A. Larson has not set the
time for a hearing on the petition.

The first rehearsal for the enter-
tainment to be given by the pupils of
Lincoln school within a couple of
months was given in the high school
assembly room yesterday. Principal
P. S. McCall stated that the time for
the entertainment could not be de-
finitely set as yet, but that it would
fair in the Lincoln school program
and consists of different "stunts" to
be given by the pupils of each grade
and also one to be given by some
pupils from the departmental section.
The entertainment has at different
times taken different aspects and has
been under the supervision of several
different teachers, but this year it is
thought that the big end of the pro-
gram will consist of songs and folk
dancing, under the direction of Miss
Lucille Morrison.
